Welcome to your day in Sete, France.

7:19 AM 5:42 PM

Take a walk along the canals of "the Venice of Languedoc" to see fishermen and townsfolk on their homemade boats going to and from the market. From late spring to early autumn, the canals turn into friendly battlegrounds for water jousting competitions, a very passionate tradition in Sete's culture that date back to 1666. Settle in at one of the restaurants along the Quai de la Résistance or Quai Général Durand for a meal of the freshest seafood of oysters, clams, and mussels you can possibly imagine plus a front row seat to the full spectacle of Sete life.

Looking Ahead ...

CASSIS ON YOUR OWN (FOR MARSEILLE, FRANCE)

Enjoy a 1.5-hour drive across the French countryside, through the coastal road to the alluring streets of Cassis. Marvel at Cap Canaille, the highest sea cliff in Europe towering nearly 1,300 feet above the Mediterranean. Wander among cozy cafes, charming shops, pebble beach, and jagged coves.

Visit the Shore Excursions Desk, Deck 5 to book your tours early to avoid disappointment.
